

Turning Technologies Web Registration Utility Student Instructions

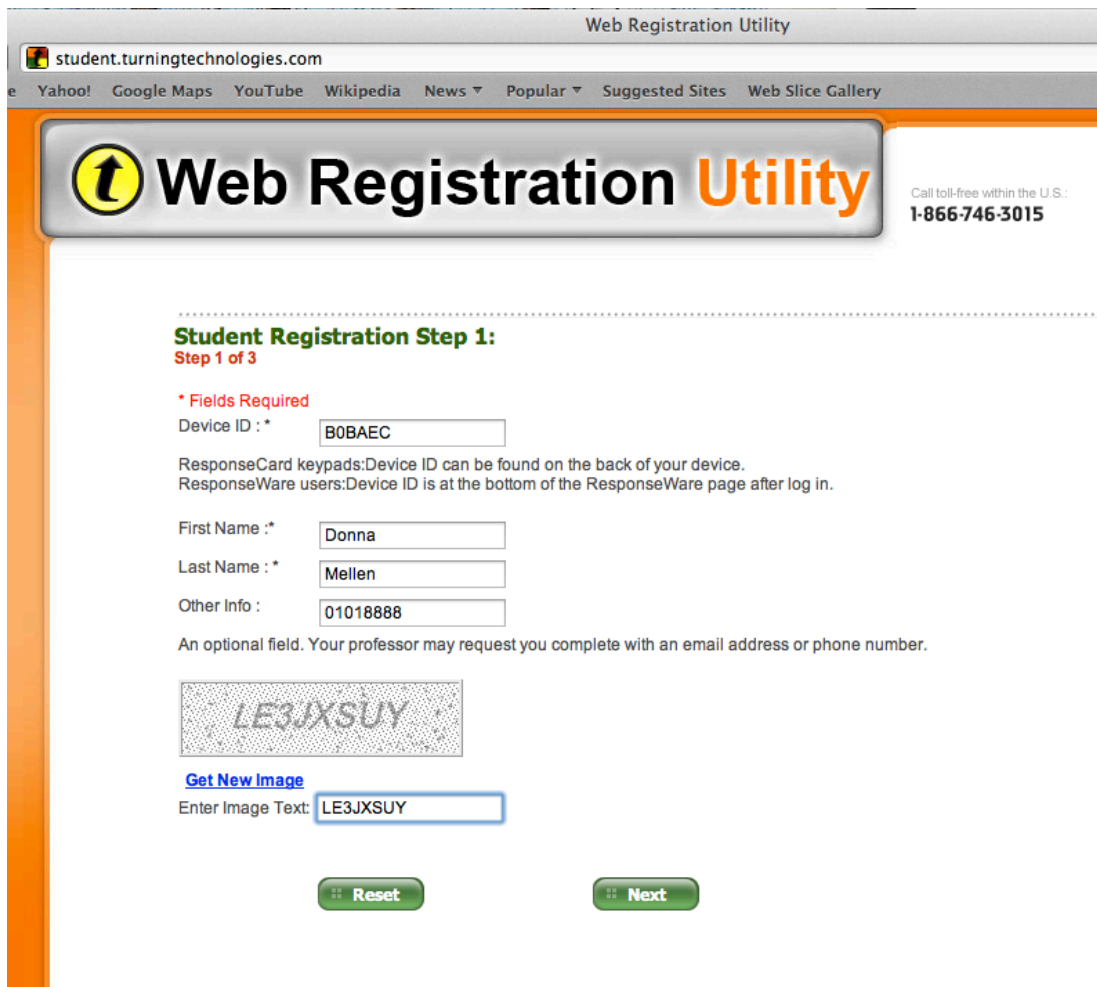

My instructor is requesting that I register my QT device for class. How do I do this?

You need to register for each class separately. Follow steps 1-3 for each class, **Restart Registration** to register for additional classes (if necessary).

1. Open a web browser page, and go to <http://student.turningtechnologies.com>

Step 1 of 3

2. Enter your **Device ID (found on the back of your device)** in the box provided.
3. Enter your first and last name in the box provided.
4. Enter your **UML Student ID** in the **Other Info** in the box provided.
(Enter NUMBERS only, 8 characters, e.g., 01234567)
5. Enter the security text.

The screenshot shows a web browser window titled "Web Registration Utility" with the URL "student.turningtechnologies.com". The page features a navigation bar with links to Yahoo!, Google Maps, YouTube, Wikipedia, News, Popular, Suggested Sites, and Web Slice Gallery. The main heading is "Web Registration Utility" with a call to action: "Call toll-free within the U.S.: 1-866-746-3015".

Student Registration Step 1:
Step 1 of 3

Back Complete Registration

What happens if I lose my device during the semester or have to replace it with a new Device ID?
You will need to re-register the new device using the same registration process. You will need to let your instructor know that you have changed your Device ID number so that a new class roster can be downloaded.
