Web Registration

Web Registration allows instructors to retrieve registered devices that are associated with a participant list and session files. This training document will cover both the Instructor and the Student instructions.

Student Instructions

Please follow these steps:

1. Go to the following page: http://webreg.turningtechnologies.com/
2. Fill in all required fields as they appear in ISIS (see steps below)
3. Students must register each semester; however only one registration is necessary for all classes.
4. If your NXT is lost or broken, please register again to change your device id. You must also notify each participating faculty member; otherwise they might not update their participant list and you will not receive credit for participation.
   a) First Name and Middle/Other
   (as it appears in ISIS - this is case sensitive - Upper case first letter, lowercase remaining letters. If your middle/other name is listed in ISIS please type exactly the same. For example: Sarah B or Andrew Stephen)
   b) Last Name
   (as it appears in ISIS - this is case sensitive - Upper case first letter, lowercase remaining letters.)
   c) User id: Use your UMass Lowell Student ID - enter only numeric characters (***with leading zeros***)
   For example: 01015858
   d) Email address: optional
   e) Device id: Located on the back, 6 or 8 characters, below the UPC Code in BOLD type
   f) Enter the Captcha code
   g) Click **Register Device**
